

Dental Insurance

Customized Energy Solutions offers one dental plan through Aetna. There is a DMO and a PPO option. The dental plan allows you to use in-network or out-of-network benefits. If out-of-network dentists are used, you will be responsible to pay the difference between Aetna's allowed amount and what the dentist may charge, also known as "balance billing."

Aetna

1-800-872-3862
